PRECONTRACT APPROVAL RECORD  
(PART TWO)

CONTRACT

25X1A

The services and equipment being procured by this Contract No. \_\_\_\_\_  
Task Order No. 5 \_\_\_\_\_ are in furtherance of the OXCART  
Program(s), the nature of which cannot be publicly disclosed for security rea-  
sons. The Contracting Officer therefore determines that this procurement must  
be accomplished by negotiations pursuant to the authority of Section 3(a) of  
PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on  
15 October 1961.

Certification of funds for this contract will be handled under the pro-  
cedure approved by the Director of Central Intelligence on 15 December 1956  
which, in effect, results in all covert expenses involving issuance of Treasury  
Checks being accumulated in a separate account within the Finance Division. The  
amounts in this account will be periodically scheduled for certification of the  
vouchers by the Director. This procedure eliminates the necessity for a sepa-  
rate certification of authority under Section 8(b) of Public Law 110, 81st Con-  
gress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the  
terms and provisions generally of this contract/amendment, and a resume of  
major issues negotiated:

Task Order No. 5 covers research studies, investigations,  
development and tests, in connection with the program designated  
\_\_\_\_\_. This Amendment No. 8 has been drawn to extend the term of the  
task order from 31 August 1964 to 31 March 1965 and to obligate \_\_\_\_\_  
remaining as the final installment on the total estimated contract price  
of \_\_\_\_\_.
